Barnes & Thornburg Customer No: 2 3 6 4 6 U.S. Patent and Trademark Office

Sir:

To comply with 37 C.F.R. § 1.56, the attached PTO-1449 is submitted herewith to the Examiner for consideration in connection with the examination of the above-identified application.

A copy of the English language abstracts for the foreign references are provided. The English language abstracts are relied upon for statement of relevance for the references. This Information Disclosure Statement provides duplicate copies of the references submitted on June 30, 2006, together with English abstracts. A review of the Patent Office's electronic records suggests that English abstracts are not part of the file history for this application. Therefore, out of an abundance of caution, the references are being re-submitted together with their English abstracts.

This Information Disclosure Statement is being submitted prior to the mailing date of the first Office Action. Thus, no fee, petition, or certification is required.
